

## English Summary

Studiefonds PLUS is founded in May of 2008.

It aims to support under privileged young adults in finding funds for education when all other resources are tried.

To apply for financial support one has to be a Dutch citizen (that is: Dutch passport or valid documents to live in The Netherlands).

The applicant must

- a) be underprivileged him/herself  
or
- b) be a student who wants to undertake an educational programme that is directly focused to help underprivileged Dutch youth

Foreigners can only apply when unforeseeable financial circumstances impede the continuation of their education in this country. It is required that they have valid documents to live and study in The Netherlands.

When in doubt, please get in touch first.

For applications download and print the Aanvraagformulier. It includes a budget calculation form. Send it to Studiefonds PLUS

Please remember: reaction to your application will be sent by email (if we do not hear of the contrary)
